PROFESSIONAL EXPERIENCE

Clayton Properties Group (Mungo Homes Division)   Columbia, SC
Business Analyst – Accounting   June 2024 - Present
- Contribute to automation efforts by working with the IT/Financial team to develop SQL queries, streamline workflows in Excel/Visual Basic, and enhance reporting processes to improve operational efficiency and data-driven decision-making.
- Work with the accounting department to revise budgets, maintain account balances, and reconcile earnest money accounts, while overseeing month-end, quarterly, and yearly reconciliations to ensure compliance with company policies and financial accuracy.

Park Place LLC   Aiken, SC
Financial Analyst/Consultant – Part Time   April 2024 - Present
- Collaborated with a team to develop financial models for a 60-room hotel project, utilizing advanced Excel and data analysis tools to support revenue forecasting, cost estimation, and profitability projections.
- Analyzed STAR reports and conducted competitive financial reviews to provide data-driven insights on market performance, optimizing project financial strategies based on local trends and benchmarks.

Azura Vascular Care / Fresenius Medical Care   Augusta, GA
Operations Analyst Intern – Southeast Region   January 2022 - August 2022
- Assisted Regional Operations Directors in strategic planning, business development, and budget management for 21 Ambulatory Surgery Centers across a 9-state region, ensuring alignment with financial objectives.
- Supported the review and analysis of P&L statements, monitoring financial performance against budgets to help optimize profitability, control costs, and ensure effective resource allocation.
- Evaluated operational workflows to identify opportunities for improving efficiency and minimizing costs while maintaining high-quality patient care delivery.
